# PRESIDENT'S MESSAGE

Legislator night, which was held on October 7, turned out to be quite successful. The attendance was good with approximately 60 people in attendance. Nine Members from the Milford Dental Association made reservations. We may consider inviting the Milford Dental Association to future meetings.

The state politicians who were in attendance were: Senator Crisco, Representative Widlitz, Representative Fontana, and Representative Sharkey. The hottest topic that drew the most discussion was the amalgam issue. We talked about access to care and how the state is spending the money that was received from the tobacco company settlement.

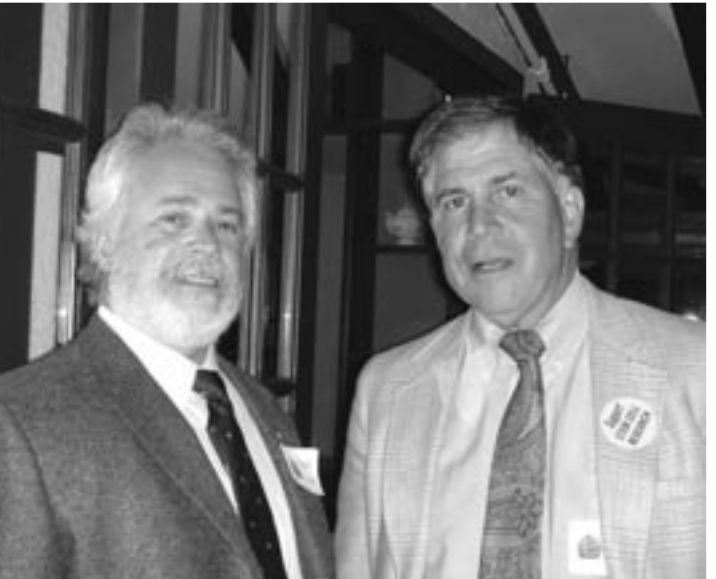

The speaker for the November meeting will be Dr. Bill MacDonnell. He is a dynamic speaker and it should be an enjoyable evening. Please come and actively participate in your dental organization.

Remember, the most important thing for all of us to do in November is to vote on November 2nd.

Sincerely,

Tom

**Home Talent Night; Please note: The date has been changed to February 10th due to a conflict with a 3 I symposium.**

**We need three clinicians.**

Since last year was a success, we would like to plan a similar format with three speakers presenting to the entire group {20 minutes each}. However, to date we have no speakers so we have flexibility in our format. Please consider being a presenter. We have many talented dentist in our association. It's a great way to share your talent with your colleagues for a most enjoyable evening. If you are interested, please contact Joe Tagliarini ASAP. The deadline for signing up is November 30. Thank You.

**CODPAC Needs Your Support**

Please consider supporting CODPAC, the Connecticut Dental Political Action Committee. The full participation of the members of our society is our goal. We are asking for \$100 but please send what you can. Dr. Avrum Goldstein will be accepting checks at our next monthly meeting or send a check payable to CODPAC to him. Thank you for your support.
