OUR GUEST SPEAKER is Ms. MARY MILLER

Mary Miller's life has been devoted to art from truly every angle. From a performer on the highest international level as a concert violinist, to an award-winning television and radio presenter and producer, to an acclaimed journalist, editor and art critic; Mary is now the director of New Haven's annual celebration of the arts, where she oversees some three hundred events with over fifteen hundred artists from over thirty countries. If you have an artistic bone in your body, you will find Mary Miller to be a fascinating speaker on the arts in New Haven.

PRESIDENT'S MESSAGE

This is my last message as President of the New Haven Dental Association. It has been an interesting six years. Members should realize that each year there are seven people, including the past president, that are charged with keeping the organization going. In this ever changing political climate it is essential to have a group of people looking out for the welfare of the whole association. While the composition of the officers and executive committee changes each year, this is a group of people you can always count on. The people who have stepped forward for these positions of leadership have been characterized by integrity and honor.

I would like to thank this years group who have put in a lot of hard work. Namely: Dr. Doug Rollins, Dr. Gerald Alexander, Dr. Karen Gallo, Dr. Joseph Tagliarini, Dr. Richmond Hung, and past president Dr. Avrum Goldstein.

I would like to extend my best wishes for success to next year's officers and executive committee.

Tom

The following letter was received from Dr. Joseph Schnitman's daughter, Deena, the day after our last monthly meeting. Unfortunately, not in time to be read at the meeting. This letter really is what the New Haven Dental Association is all about...comraderie. It's a wonderful note representing over 50 years of attendance at our meeting. Quite remarkable.

Dear Drs,

My father's mail has been forwarded to me and today I received the NHDA's monthly bulletin. I noticed your kind donation in memory of my father, Dr. Joseph Schnitman and hope this note reaches the NHDA by the time you have your monthly meeting, which I see is still on the first Thursday of the month.

As far back as I can remember, my father was never home for dinner on the first Thursday of the month. And I believe that except for his days in the military, when he served in the MASH in Korea, he never missed a meeting. Considering that he practiced dentistry until he was 90, I'm guessing he held the attendance record.

My father was dedicated to his work and truly loved being a dentist. I know his membership in the NHDA and the enduring friendships he made gave him great pleasure and so on behalf of my brother, Dr. Paul Schnitman, my sister Dr. Harriet Schnitman, my sister Susan Karp, and myself, we thank you for your remembering him.

Warm regards,

Deena Schnitman
